At this year's IAGLR Conference in Toledo, Ohio, the 2nd Annual IAGLR Defy Cup hockey challenge will take place: Canada versus United States.

Ice time is reserved at the Sylvania Sport & Exhibition Center for 8:30-10 pm, Tuesday May 19; buses will be provided for fans and players.

If you are interested in playing in what is billed to be an exciting test of international collaboration then please reply to Michael Twiss with your nationality and preferred position. We

will be creating the teams with the intention of maximizing the skill equality.

A nominal fee will be assessed for each player and coaching staff to go towards the cash prize to the winning team, who will have the honor/honour of donating it to the IAGLR Scholarship fund.

In last year's inaugural game IAGLR hockey players and fans contributed over \$300 (and that was a Friday afternoon game!).

We are looking to your efforts again this year in the quest for the IAGLR Defy Cup.
