

Virtual Access Instructions

International Association for Great Lakes Research
68th Annual Conference on Great Lakes Research
June 2-6, 2025

Registered attendees (both in-person and virtual) have access to view sessions online. All concurrent sessions and plenaries will be livestreamed using Zoom Meeting. Recordings will be available after the conference.

ACCESS LIVESTREAMS

Links for the livestreams will be embedded within the [Online Interactive Program](#). To access the program schedule and Zoom links, [log in to the Conference Portal](#) with your email address used during registration.

To join a Zoom meeting as a viewer or virtual presenter, visit a session of interest in the Program Schedule. Click on the "Join" button under the description and chair information.

Program Schedule

ACCESS LIVESTREAMS

Program Schedule (Figure 1)

- On the Schedule page of the Scientific Program (A), see what sessions and events are available each day (B).
- Search by titles, topics, and other keywords (C), or filter by "Tracks" (aka Themes; D)
- Add Bookmarks to sessions/events of interest (E)
- Filter to see your bookmarked sessions/events and/or what's "Happening Now" (F).

SUPPORT

For help with logging in, contact support@fourwaves.com

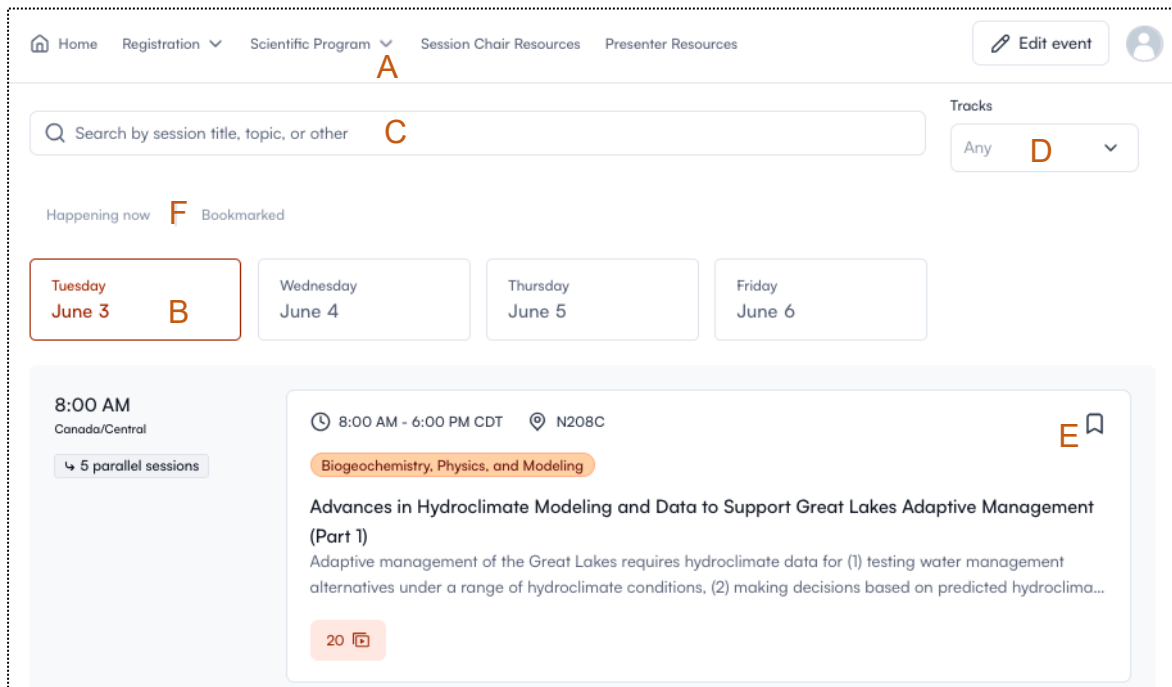

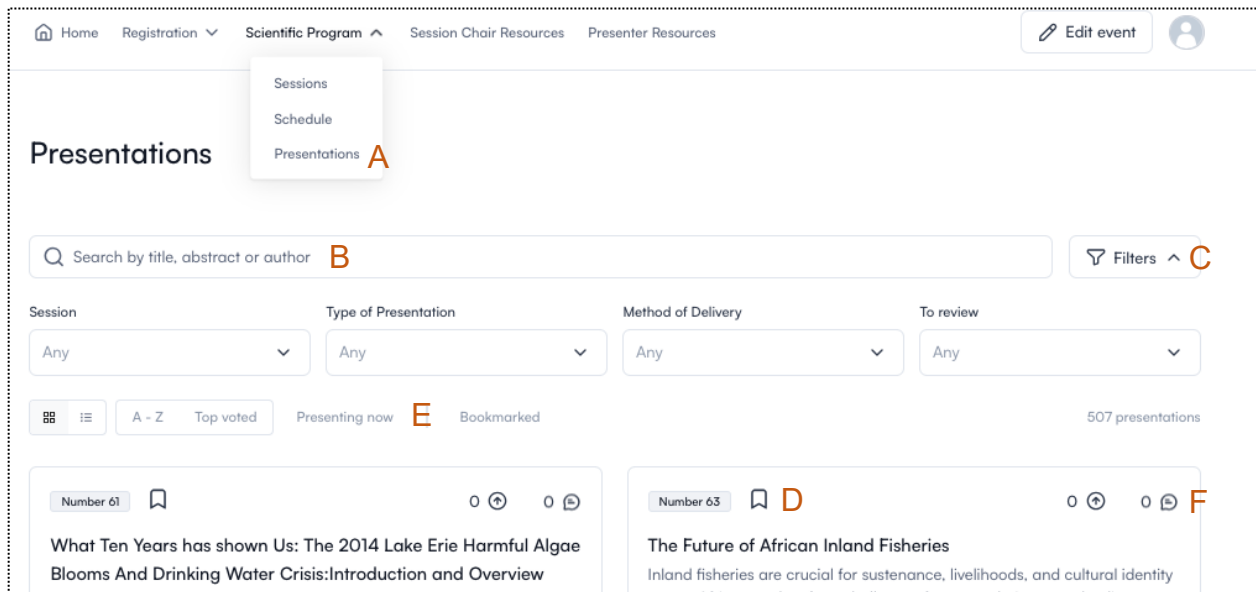

Figure 1. Program Schedule page

Presentations (Figure 2)

- On the Presentations page of the Scientific Program (A), see abstracts for all oral and poster presentations.
- Search by titles, author names, and/or keywords (B), or filter by Session, Presentation Type, or In Person/ Virtual status (C)
- Add Bookmarks to presentations of interest (D).
- Filter to see presentations you bookmarked and/or what's "Presenting Now" (E).
- Click on the text bubble to ask a question to a presenter (F). Questions and answers will be visible to other participants.

The screenshot shows the 'Presentations' page of the IAGLR 2025 Scientific Program. The page has a navigation bar at the top with 'Home', 'Registration', 'Scientific Program', 'Session Chair Resources', and 'Presenter Resources'. A dropdown menu is open under 'Scientific Program', showing 'Sessions', 'Schedule', and 'Presentations' (labeled A). Below the navigation is a search bar labeled 'Search by title, abstract or author' (labeled B) and a 'Filters' button (labeled C). There are four filter dropdowns: 'Session' (Any), 'Type of Presentation' (Any), 'Method of Delivery' (Any), and 'To review' (Any). Below these are sorting options: 'A - Z', 'Top voted', 'Presenting now' (labeled E), and 'Bookmarked'. The page shows 507 presentations. Two presentation cards are visible: 'Number 61' titled 'What Ten Years has shown Us: The 2014 Lake Erie Harmful Algae Blooms And Drinking Water Crisis: Introduction and Overview' (labeled D) and 'Number 63' titled 'The Future of African Inland Fisheries' (labeled F). Each card has a bookmark icon and a comment icon.
