

Virtual Access Instructions

International Association for Great Lakes Research
67th Annual Conference on Great Lakes Research
May 20-24, 2024

Registered attendees (both in-person and virtual) have access to view sessions online. All concurrent sessions and plenaries were livestreamed using Zoom Meeting. Recordings are now available.

ACCESS RECORDINGS

Recordings are embedded within the Online Interactive Program. To access the program schedule, log in to the Conference Portal with your email address used during registration.

To view a recording, visit a session of interest in the program schedule. Click on the "Watch video" button under the description.
