

IAGLR membersweb has moved

NEW

[Membership and Conference website!](#)

2017/2018 Current Members:

Please use your IAGLR **email on file to login**. This is your **username and temporary password***.

Feel free to update your membership profile (especially your password), register for the [Conference on Great Lakes Research](#) at reduced member rates, or conduct IAGLR upcoming business. Additional features forthcoming, including the members only Membership Directory with newly structured interest codes.

Don't worry: The [J. of Great Lakes Research](#) electronic access via Elsevier remains unchanged!

EXPIRED existing member: follow the login procedures above for current members to renew

NEW member: create a profile and hit the "Join" button

NON-Member: Want to register for conferences at the non-member rate? Create a profile and proceed to register. Membership is optional.

***Renewal issues?** If the new system does not recognize you, consider the following:

- You might have a different email on record? Try alternative emails
- Returning member prior to 2010? Create a new contact profile

Thank you!
